SUMMARY OF UPDATES

This is a new program manual chapter that describes Team and Community Supports, and the policy and procedure requirements around each of those supports.

VRIS POSTING

The chapter is posted to VRIS: Program Manual: **Team and Community Supports**.

TEAM COMMUNICATION

While the chapter does not contain any change from our current policies and procedures around Team and Community Supports, it would be a good idea to review the chapter in a team meeting since this is information that has not been included in the program manual until now.
